

## **PARKS ARE FUN**

The City of Statesville is not only developing continuous greenways, but has 13 parks and three ballfields.

The latest (and greatest) is the rental of bikes for city residents and nons, for biking on Free Nancy section of the greenway. The trail and bikes are accessed at the Statesville Fitness and Activity Center: 1875 Simonton Road, Statesville, NC 28677

But even more beautifully kept are its parks -- and for walking, there's nothing like Anderson Park.
